Master Financial Controller

Certified by the American Academy of Financial Management (AAFM).
Recognised in over 145 countries by 560 training providers, universities,
colleges and business schools.

1 – 5 February 2009, AAFM Training Center, Salhia Complex

An intensive, interactive five-day training program specifically tailored to enable financial professionals to:

- Develop strategic decision models to improve your financial management
- Identify and forecast key value drivers and link them to financial strategy
- Leverage your organisation's financial position for maximum corporate gain
- Implement successful strategies to undertake the financial controller-ship process within your organization
- Drive financial decision making within your organisation.

Who should attend?

This highly practical qualification has been specifically designed for people who have an understanding of the accounting processes. It assumes that there is this level of knowledge and provides new insights into the accounting and financial decision making process:

- Finance Managers/Directors
- Financial Analysts
- Financial Controllers
- Financial Accounts Managers
- Heads of Finance Department
- Credit Controllers
- Corporate Financiers
- Credit Risk Managers
- Financial Advisors

Plus anyone who works within the finance function and is interested in updating themselves on current developments in financial decision making and strategic planning.

“The gathering was excellent, the event was superb, the materials were rich and valuable.”

Abdul Hamid Nazer
Deputy CEO,
Al-Tawfeek Co., KSA

Dear Finance Professional,

Financial Controllers are facing an increasing number of challenges in an ever-evolving environment. The ability to understand and implement the tools and techniques that drive your organisation's financial decision-making is becoming ever more complex and often confusing.

Master Financial Controller is a comprehensive training program for every financial professional, blending theory with practical skills, ensuring you achieve a fully developed set of tools that can be implemented successfully and immediately on your return to your organisation.

On completion of this five days training program you will collect your certification from the American Academy of Financial Management (AAFM), which is recognized in over 145 countries.

Your program Director, Geoffrey Baring and I look forward to welcoming you to the program.

Yours sincerely,

Geoffrey Bye
AAFM GCC Chapter President

P.S. You will receive a free membership to the AAFM professional body for up to 18 months.

Meet Your Expert Programme Director

Geoffrey Baring

Global Leadership Team AAFM Australia

Geoffrey H J Baring is CEO of the Monash Consulting Group a Melbourne based Training Organisation and board member of the American Academy of Financial Management.

He has a background in management consulting, initially at London based Urwick, Orr and Partners and subsequently as the Director of Human Resources Consulting in the international accounting firm, Arthur Young. He undertook major assignments with many of Australia's largest companies including Shell Australia Limited, CSR Limited, Esso Limited, the ANZ Banking Group, Westpac Banking Corporation and Australia Post. In 1990, he became the Foundation Director of the Centre for Accounting Research at Monash University, a position that he held for three years and during which time he travelled throughout the Asia Pacific region presenting accounting and financial management programs.

Geoffrey joined Victoria University in 1992 and was responsible for its overseas programs in Hong Kong. He has significant experience teaching in Hong Kong over a ten year period and has been responsible for the development of a number of course initiatives that enable overseas students to complete undergraduate programs in Australia.

He has a Bachelors degree from the University of Melbourne and a Masters degree from Monash University. He is a qualified work place trainer and assessor. Geoffrey is the sitting Chair of the American Academy of Financial Management's chapter in Australia. He sits on the academic advisory boards of a number of Australian Colleges and is a member of the Educational Committee of the Institute of Certified Management Accountants (ICMA). In addition he is responsible for the quality control of all ICMA courses run in Asia.

He has extensive training experience in training vocational and work place trainers and in the educational of training and teaching professionals.

By attending this course, the added benefits you will receive include:

- The ability to use the designation MFC on your business card and resume
- Free AAFM membership is included with course fees for up to 18 months
- Membership renewal is due on the 30th June or 31st of December. New members automatically receive 12 months membership plus any additional months leading up to the next renewal date
- Access to the AAFM risk management network and body of information on-line
- Being taught by a leading finance expert from the American Academy of Financial Management
- Membership to the only professional body recognised by the AACSB, the world's leading collection of business schools
- Preferred access to education centres in USA, UK, Europe, Asia, Middle-East and Latin America
- Qualification for entry into the AAFM Master Financial Professional programme
- Access to the AAFM international journal published on-line
- Gold Embossed Certificate with your name and designation as a MAAF (Member of the American Academy of Financial Management)
- Full accreditation fees included in the course fees.
